VOLUME XXXVIII

PARIS, BOURBON COUNTY, KENTUCKY, TUESDAY, APRIL 29, 1919

THE CITY SAYS THERE MUST BE NO NEWSPAPER CONTESTS—NO SOLICITING WHERE PRIZES ARE OFFERED—A GOOD LAW AND EVERYONE APPROVES ITS ADOPTION.

An ordinance was passed last Thursday night, April 24, 1919, by the City Council, of Paris, Ky., prohibiting the solicitation of subscriptions by solicitors, for periodicals and newspapers, where prizes, etc., are offered. The ordinance is as follows:

"For soliciting Subscriptions to ANY NEWSPAPER OR PERIODICAL by offering any premium or gift, or where solicitors are engaged in ANY contest for prize, or prizes, per day, \$5.00."

The ordinance above was also in effect last year. The Paris newspapers have refrained from conducting any contests during that time because it was against the law, also because the public has been annoyed enough with such "contests."

However, the law is being violated every day by foreign newspapers. Innocent solicitors are also being induced to violate the above ordinance. The newspapers of Paris do not want to issue warrants for these solicitors, as they are sure that they are unconscious of the fact that they are violating the law. If the practice is continued, however, it will be necessary for the local papers, in justice to themselves, to take steps to stop the violation of the ordinance, which is very plain.

The Paris newspapers pay licenses, city and county taxes, etc., for the conducting of their business and for the protection against foreigners coming to this city and being allowed privileges not conceded to them. The attention of the city officials is also called to the above. They all pride themselves on enforcing the law, if their attention is called to any violations of the city ordinances.

The law is very plain and the Mayor and Council are to be congratulated on the drafting of such an ordinance, as it is certainly very clear and prohibits the obnoxious "contest" practice in Paris.

INTERESTING OIL NOTES

Parties are preparing to drill nine wells on Indian Creek, Owsley county.

The Lee-Kent Oil Company will open their new office in the Holladay building this week. Carpenters and painters have been on the job for the past week getting the rooms in readiness for the company.

Reports of increased production are had from the Millie Freeman tract on Ross Creek, Estill county. Three local companies, the Lee-Kent Oil Co., Bourbon Oil Company and Co-operating Land & Development Co. are interested in this tract.

A large crowd was in attendance at the Blue Grass Oil Exchange open-call session Saturday afternoon and evening. Co-operating, Lee-Kent and Parboken were in active demand at increased prices over the last sales. A large number of Bourbon shares changed hands. Bidding was spirited.

The Kentucky Oil Journal, published at Louisville, in its summary of Kentucky oil news, compliments THE NEWS by republishing entirely extracts concerning the oil exchanges in this city, and the progress of oil development in other places in which Paris companies are interested. The Journal gives THE NEWS credit for these items, which are published word for word just as they were written in THE NEWS office. The Journal shows good judgment in its selection of news matter.

There were 271 new wells completed in Kentucky during the month of March, an increase of 56. Many of the new wells brought in during March were smaller than those for February, and for this reason there is shown a falling off in new production of 531 barrels. Total new production for the month was 9,247 barrels. Of the 271 new wells drilled, only 25 were dry and 11 gave gas.

Bad condition of the roads following heavy rains throughout the mountain regions had effect on the number of new work under way. In the new work at the close of the month there were twenty-four rigs up and 590 wells drilling.

The prediction is being made that the production of oil in the State of Kentucky may reach 300,000 barrels per week by the end of the present year 1919. This amount of oil would mean the sale of approximately forty million (40,000,000) dollars' worth of oil per year. Men of wealth and large business experience are almost daily becoming financially interested in the Kentucky oil industry. It is obvious that the industry deserves and justifies the consideration of the best business men of the State.

Forty millions is quite an item, and this vast wealth is being taken out of the ground, new wealth, so to speak, from a source hitherto undeveloped. Thousands and thousands of dollars are being turned loose in Kentucky by the oil industry for material, supplies, labor, etc. The payrolls of the different companies run into thousands; this money circulates around and benefits the banks, the real estate people, the hotels, the stores, the restaurants, the amusement places.

BOURBON WINS PRIZE IN INSURANCE CONTEST.

A prize offered by the American Life & Accident Insurance Company, to the county and district writing the largest amount of insurance in a given period, has been awarded to Bourbon county, which is headquarters of one of the nine State districts.

The district is composed of Bourbon, Boyle, Harrison, Garrard, Woodford, Lincoln, Montgomery and Madison counties. Among those from a distance attending were:

W. G. Crutcher, Richmond; A. C. Cassidy, Danville; N. A. Wilkerson, Mt. Sterling; J. C. West, Shelbyville; I. H. Pennybaker, Stanton; William Mullins, Winchester; J. C. Doggins, Lexington; T. F. Bishop, Versailles; J. C. Jackson, Wm. King, Lexington; Supt. H. C. Veasey, Richmond; President D. J. Lampton, Louisville; Frank J. Trisler, Paris and Danville, district superintendent.

ON INSPECTION TOUR.

Fourteen members of the class in Agriculture of the Little Rock Graded High School, in charge of the principal, Prof. B. M. Roberts, were visitors at the College of Agriculture and the Agricultural Experiment Station of the State University, in Lexington, Saturday. They made a tour of the farm and took in all the places of interest, being afterward entertained at dinner at the Experimental Station cafeteria.

IN THE SERVICE OF THEIR COUNTRY.

Corp. Alvin Thomas, who is at Camp Zachary Taylor, where he has been under treatment at the Base Hospital, is a guest of his sister, Mrs. Chas. Sauer, and Mr. Sauer. Corp. Thomas was gassed and wounded in the leg in one of the big battles overseas, and after several weeks in French hospitals, was invalided home. He is here on a furlough, and will return to the Base Hospital in a few days.

The first contingent of 5,000 recruits enlisted by the War Department for foreign service to relieve men in the army of occupation, will leave Camp Meade, April 30, for New York, preparatory to embarking. While in New York these men will participate on May 3 in the Victory parade to be held in that city. With this first unit will go a number of officers who have asked for foreign service, to relieve officers in the army in Germany.

Ralph, ("Whitey") Huffman, of Covington, formerly a resident of Paris, was a guest of Paris friends and relatives Sunday and yesterday. Huffman was in the infantry service, and spent several months on the fighting line in France, where he was wounded and gassed. Upon returning to this country Huffman was sent to a Base Hospital, where he spent several weeks. He was later sent to Camp Zachary Taylor, where he received his final discharge papers last Wednesday. He has some interesting stories of army life, all from actual experiences in camp and on the firing line.

FIRST WEEK OF LOAN CAMPAIGN SHOWS PROGRESS.

At the close of business Saturday night, the Kentucky division of the Fourth Federal Reserve district in the Victory Loan campaign had raised practically one-half of its quota, according to Chairman R. T. Anderson, who reported seven more counties "over the top" with subscriptions amounting to \$7,183,100.

Telegrams were received Saturday night from most of the county chairmen in the fifty-six counties, telling how their respective counties stood in the campaign when the banks closed in the afternoon.

With two more weeks before the campaign closes, Mr. Anderson expects the quota of \$14,845,600 to be far exceeded.

McCreary county is the first in the Eastern division to report a 100 per cent. oversubscription. McCreary's quota in the campaign was \$9,150 and Saturday the county reported subscriptions amounting to \$18,300, just exactly double the allotment.

The seven counties which went "over the top" Saturday were: Harrison, Robertson, Montgomery, Lewis, Bracken, Clark and Knott. This makes a total of ten counties that have exceeded their quotas, Bourbon, Lee and McCreary having previously reported oversubscriptions. Williamstown, in Grant county, reported it was "over," but the county's quota has not yet been reached.

MISS HARBISON TO GIVE CONCERT FRIDAY, MAY 2.

Miss Mary Dan Harbison, the talented and sweet-voiced soloist of the Presbyterian church, and her brother, Capt. Robert Harbison, will give a concert in the Paris City School auditorium on next Friday night, May 2, at 8:15 o'clock. The concert will be given under the auspices of the Christian Endeavor Society of the Paris Presbyterian church. An admission charge of fifty cents for adults and thirty-five cents for school children will be charged.

Miss Harbison and Capt. Harbison need no introduction to the people of Paris. Their remarkably sweet voices have been heard here on numerous occasions in concert and at the Presbyterian church. All who have heard them have been charmed by the magic of the soloists' voices, and it is safe to assume that there will be a large attendance of music-lovers at the concert Friday night.

ENTERTAINMENT TO BE REPEATED FRIDAY, MAY 2.

The picnic supper given at the Stony Point school last Wednesday night was a success financially, though the attendance was very materially lessened on account of the bad weather prevailing.

At the earnest solicitation of numerous friends and patrons of the school, who were unable to attend, the entertainment will be repeated next Friday night, May 2, at eight o'clock. You are cordially invited to attend and spend an enjoyable evening.

FLYING CIRCUS NOT TO BE HERE UNTIL FRIDAY.

The Flying Circus, one of the stellar attractions sent out under the auspices of the Central Liberty Loan Committee of the Fourth Federal Reserve District at Cleveland, Ohio, for the purpose of advertising the Victory Loan, will be in Paris on next Friday morning, instead of Thursday, May 1, as previously advertised.

The change in the schedule was made necessary by the fact that the flying squadron, which left Hillsboro, Ohio, yesterday morning, has met with adverse weather conditions, which has put it twenty-four hours behind on its schedule. This will bring the exhibition to Paris on next Friday morning, May 2, instead of the advertised date, Thursday. The following telegram was received yesterday by Mr. Rudolph Davis, publicity secretary for Bourbon county in the Victory Loan campaign, from Mr. R. W. Young, who is in charge of the "Flying Circus":

"Portsmouth, Ohio, April 28.

"Mr. Rudolph Davis, Publicity Secretary, Paris, Ky.

"Adverse weather conditions encountered on our trip force a delay of twenty-four hours in schedule of The Flying Circus, which will put us in your city Friday morning, instead of Thursday morning. Please advise the public to this effect.

SALE OF LOTS AT NORTH MIDDLETOWN GREAT SUCCESS

The big sale of lots conducted at North Middletown Tuesday by the Wakefield & Davis Realty Co., of Shelbyville, was one of the most successful ones of the present season, and was attended by a large crowd from all parts of the county. Preceding the sale and at intervals throughout the day music was rendered by a band from Lexington. Lunch was served on the grounds by the North Middletown Mothers' Club, which netted them the tidy sum of \$160.

The sale was started promptly on time when Auctioneer George D. Speakes, of the firm of Harris & Speakes, of Paris, mounted the stand and announced the order of proceedings. A total of forty-seven lots was disposed of at prices ranging from \$100 to \$1,000. Messrs. John T. Collins and Henry S. Gilkey & Rash bought the livery stable on Main street for \$3,255. The sale realized a total of \$27,000 for the promoters, Messrs. Wakefield & Davis, were congratulated on the success of this, their first venture in the real estate business in this city. They stated that they were very well pleased with the financial end of the deal. The property disposed of was purchased by them from Mrs. A. P. Bryan several months ago, and is well located, being near the center of the business section.

Messrs. Wakefield & Davis have purchased the Greene property in Mt. Sterling and will conduct a sale of lots at that place in the near future.

Mr. Davis Patrick, owner of the garage at North Middletown, purchased several lots adjoining his property, and will enlarge his garage.

The free lot offered at the sale was drawn by Mr. George Griffin, who sold it shortly after the sale for \$150. The first \$5 gold piece was drawn by Mr. Spencer Johnson, the second by Mrs. E. B. Allen, and the third by Mrs. Cash Harney.
